Amendment to Salzburg Airport Charges 2024

Dear Sir/Madam!

We have applied for the amendment of the Airport Charges for 2024 to the Federal Ministry for Climate Action, Environment, Energy, Mobility, Innovation and Technology (BMK) (as Austrian Civil Aviation Authority). We are still waiting for approval, but would like to inform you about possible changes.

Airport Charges will probably be changed as follows from January 01, 2024 (application filed, waiting for approval):

Passenger, Landside Infrastructure, Security Charge	+ 10,21 %
Landing, Parking and Airside Infrastructure Charge	+ 10,21 %
PRM Charge	€ 0,83/PAX
Security Charge	€ 15,59/PAX

Noise Reduction Charge from January 01, 2024 (application filed, waiting for approval):

From 2024 all Austrian Airports have to implement a noise reduction charge. For details please refer to

<https://www.salzburg-airport.com/en/business-aviation/aviation/airport-charges-conditions>.

Handling Charges (incl. Cargo, Single Services, De-Icing-Liquids and excl CUPPS) will be increased by **10,21 %** from

January 01, 2024

Hangar Charges will be increased by **10,21 %** from

January 01, 2024

We kindly ask for your understanding for this increase, which is unfortunately unavoidable due to rising personnel costs, energy, raw materials and inflation.

For further information on charges, please refer to
